MESSAGES FROM THE SENATE

A message from the Senate by

Ms. Hawker, Secretary:

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the veto of the Governor to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

Senate Bill No. 847

A bill for AN ACT concerning local government.

I am further directed to transmit to the House of Representatives the following copy of the Governor's veto message to the Senate:

Passed by the Senate, October 26, 2005, by a three-fifths vote.

Linda Hawker, Secretary of the Senate

August 18, 2005

To the Honorable Members of the

Illinois Senate

94th General Assembly

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto Senate Bill 847, entitled "AN ACT concerning local government." Senate Bill 847 provides a mechanism for a municipality or township to disconnect with a public library district. However, the ramifications of the disconnection will result in additional tax liability for the disconnecting municipality and the existing

public library district. After the disconnection, the revenue base of the existing public library district will be significantly reduced; expenses will not be similarly abated. If the existing public library district is below its property tax rate cap then the district's board could unilaterally raise taxes without an additional referendum.

Senate Bill 847 also requires specific language to be used in the disconnection referendum. Namely, the disconnection referendum simply asks if the voters wish to disconnect which implies a reduction in Government expenses. The disconnection referendum fails to inform voters that, if the disconnection referendum passes, the municipality will be required to create a new public library district supported by a smaller tax base than supported the existing library district and also pay their portion of the bond payments due to the existing library district. If the municipality is a home rule municipality then it could unilaterally establish a tax rate for the new public library district, again without another referendum.

For these reasons, I hereby veto and return Senate Bill 847.

Sincerely,
 ROD R. BLAGOJEVICH
 Governor

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the veto of the Governor to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

Senate Bill No. 1294

A bill for AN ACT concerning revenue.

I am further directed to transmit to the House of Representatives the following copy of the Governor's veto message to the Senate:

Passed by the Senate, October 26, 2005, by a three-fifths vote.

Linda Hawker, Secretary of the Senate

August 12, 2005
 To the Honorable Members of the
 Illinois Senate
 94th General Assembly

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto Senate Bill 1294, entitled "AN ACT concerning revenue." Senate Bill 1294 allows certain building owners to petition for the creation of a Special Service Area in order to levy additional taxes. While Senate Bill 1294 requires all the building owners to agree before the Special Service Area is created, the increased taxes will most likely result in increased costs for the tenants of these buildings. Therefore, I will not consent to this change of the Property Tax Code.

For this reason, I hereby veto and return Senate Bill 1294.

Sincerely,
 ROD R. BLAGOJEVICH
 Governor

To the Honorable Members of the
Illinois Senate
94th General Assembly

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto Senate Bill 2087, entitled "AN ACT concerning State Government." Senate Bill 2087 allows the Addison Creek Restoration Commission to accept loans, incur debt, and issue and sell bonds. It also creates a taxing mechanism to pay for such debt. While I generally support the Commission's endeavors, I am not convinced that granting new taxing authority for these purposes is currently necessary.

For this reason, I hereby veto and return Senate Bill 2087.

Sincerely,

ROD R. BLAGOJEVICH
Governor

To the Honorable Members of the
Illinois Senate
94th General Assembly

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto Senate Bill 272, entitled "AN ACT concerning local government." Senate Bill 272 allows a non-home rule municipality to increase sales taxes after approved by referendum. I understand that forty communities have imposed sales taxes under this section of the law and I believe the current ½% limit is prudent. The challenge, which we have faced throughout state government, is to fund important services and programs without asking the people of Illinois to pay more in taxes. I remain committed to this principle and cannot support legislation that asks for an increase in taxes.

For this reason, I hereby veto and return Senate Bill 272.

Sincerely,

ROD R. BLAGOJEVICH
Governor

To the Honorable Members of the
Illinois Senate
94th General Assembly

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto Senate Bill 288, entitled "AN ACT concerning the Metropolitan Water Reclamation District." Senate Bill 288 exempts the position of "assistant director of personnel" from the civil service protections of the Metropolitan Water Reclamation Act. At this point, I am not convinced that a person serving in this position should be not benefit from these protections.

For this reason, I hereby veto and return Senate Bill 288.

Sincerely,

ROD R. BLAGOJEVICH
Governor

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the Governor's specific recommendations for change to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

Senate Bill No. 357

A bill for AN ACT concerning quick-takes.

I am further directed to transmit to the House of Representatives the following copy of the Governor's specific recommendations for change to the Senate:

Passed by the Senate, October 26, 2005, by a three-fifths vote.

Linda Hawker, Secretary of the Senate

August 22, 2005

To the Honorable Members of the
Illinois Senate
94th General Assembly

Each project subject to the quick-take authority should have specific, limited and clearly defined boundaries. To ensure that the quick takes contemplated by this Act conform to these policy goals, they should be submitted for approval to the Department of Transportation. Pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return Senate Bill 357, entitled "AN ACT concerning quick-takes", with the following specific recommendations for change:

on page 1, line 13, after "Act", by inserting "subject to the written approval of the Illinois Secretary of Transportation based upon the overall economic development and fiscal plans and needs of the State of Illinois".

With these changes, Senate Bill 357 will have my approval. I respectfully request your concurrence.

To the Honorable Members of the
Illinois Senate
94th General Assembly

Pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return Senate Bill 1654, entitled "AN ACT concerning finance", with the following specific recommendations for change:

On page 1, replace line 18 through 20 with the following, "interest penalty shall be payable at a rate equal, for any day, to the rate per annum (rounded upwards, if necessary, to the nearest 1/100 of 1%) as determined in the sole discretion (which determination shall be conclusive and binding, absent manifest error) of the Governor's Office of Management and Budget to be equal to the weighted average of the rates on overnight Federal funds transactions with member banks of the Federal Reserve System arranged by Federal funds brokers on such day, as published by the Federal Reserve Bank of New York on the business day next succeeding such day; provided that if such day is not a business day, the Federal Funds Rate for such day shall be such rate on such transactions on the next preceding business day as so published on the next succeeding business day. All payments of interest shall be calculated on the basis of actual number of days (including the first day but excluding the last day) elapsed after the end of this 60 day period until final payment is made but computed as if each calendar year consisted of 360 days."; and

On page 1, line 30, before "delaying" insert the word "unnecessarily"; and

On page 1, line 31, after "identified," insert the following:

"(A) An agency shall not be considered to be delaying the review of a bill or its submission to the Comptroller if the agency is undertaking appropriate procedures:

- (i) to ensure that the bill is a proper bill;
- (ii) to determine whether the funding source is federal or state funds;
- (iii) to determine whether sufficient appropriation authority exists; or
- (iv) to determine if sufficient funds exist within the funding source to pay the bill at that time or if revenues are anticipated soon.

(B) An agency shall not be considered to be delaying the review of a bill or its submission to the Comptroller if the agency is undertaking any other steps a prudent financial manager would take before approving a bill for payment."

With these changes, Senate Bill 1654 will have my approval. I respectfully request your concurrence.

Sincerely,
ROD R. BLAGOJEVICH
Governor

To the Honorable Members of the
Illinois Senate
94th General Assembly

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto Senate Bill 2104, entitled "AN ACT concerning criminal law." Senate Bill 2104 would prohibit all home rule units of government from passing additional restrictions, beyond current state law, for transporting firearms. In addition, it renders void those restrictions that some communities already enjoy. Local communities should be allowed to decide how they want firearms transported in their neighborhoods.

For this reason, I hereby veto and return Senate Bill 2104.

Sincerely,

ROD R. BLAGOJEVICH

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. (a) the foreign person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(E-13) For taxable years ending on or after December 31, 2004, an amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(c)(2)(G-12) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes: (1) expenses, losses, and costs for or related to the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. This paragraph shall not apply to the following:

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

and by deducting from the total so obtained the sum of the following amounts:

(H) An amount equal to all amounts included in such total pursuant to the provisions of Sections 402(a), 402(c), 403(a), 403(b), 406(a), 407(a) and 408 of the Internal Revenue Code or included in such total as distributions under the provisions of any retirement or disability plan for employees of any governmental agency or unit, or retirement payments to retired partners, which payments are excluded in computing net earnings from self employment by Section 1402 of the Internal Revenue Code and regulations adopted pursuant thereto;

(I) The valuation limitation amount;

(2) for taxable years ending on or before December 31, 2005, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied

by 0.429); and

(3) for taxable years ending after December 31, 2005:

(i) for property on which a bonus depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(ii) for property on which a bonus depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by 1.0.

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction (~~30% of the adjusted basis of the qualified property~~) taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code. This subparagraph (R) is exempt from the provisions of Section 250;

(D-8) For taxable years ending on or after December 31, 2004, an amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity. directly or indirectly, from a transaction with a foreign person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property for which the bonus depreciation deduction (~~30% of the adjusted basis of the qualified property~~) was taken in any year under subsection (k) of Section 168 of the Internal Revenue Code, but not including the bonus depreciation deduction; and

(2) for taxable years ending on or before December 31, 2005, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied

by 0.429); and

(i) for property on which a bonus depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(ii) for property on which a bonus depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by 1.0.

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction ~~(30% of the adjusted basis of the qualified property)~~ taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code. The taxpayer is allowed to take the deduction under this subparagraph only once with respect to any one piece of property.

This subparagraph (P) is exempt from the provisions of Section 250;

(Q) The amount of (i) any interest income (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-17), 203(b)(2)(E-12), 203(c)(2)(G-12), or 203(d)(2)(D-7), but not to exceed the amount of such addition modification and (ii) any income from intangible property (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-18), 203(b)(2)(E-13), 203(c)(2)(G-13), or 203(d)(2)(D-8), but not to exceed the amount of such addition modification;

(R) An amount equal to the interest income taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity, but not to exceed the addition modification required to be made for the same taxable year under Section 203(d)(2)(D-7) for interest paid, accrued, or incurred, directly or indirectly, to the same foreign person; and

(S) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity, but not to exceed the addition modification required to be made for the same taxable year under Section 203(d)(2)(D-8) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same foreign person.

(e) Gross income; adjusted gross income; taxable income.

(1) In general. Subject to the provisions of paragraph (2) and subsection (b) (3), for purposes of this Section and Section 803(e), a taxpayer's gross income, adjusted gross income, or taxable income for the taxable year shall mean the amount of gross income, adjusted gross income or taxable income properly reportable for federal income tax purposes for the taxable year under the provisions of the Internal Revenue Code. Taxable income may be less than zero. However, for taxable years ending on or after December 31, 1986, net operating loss carryforwards from taxable years ending prior to December 31, 1986, may not exceed the sum of federal taxable income for the taxable year before net operating loss deduction, plus the excess of addition modifications over subtraction modifications for the taxable year. For taxable years ending prior to December 31, 1986, taxable income may never be an amount in excess of the net operating loss for the taxable year as defined in subsections (c) and (d) of Section 172 of the Internal Revenue Code, provided that when taxable income of a corporation (other than a Subchapter S corporation), trust, or estate is less than zero and addition modifications, other than

those provided by subparagraph (E) of paragraph (2) of subsection (b) for corporations or subparagraph (E) of paragraph (2) of subsection (c) for trusts and estates, exceed subtraction modifications, an addition modification must be made under those subparagraphs for any other taxable year to which the taxable income less than zero (net operating loss) is applied under Section 172 of the Internal Revenue Code or under subparagraph (E) of paragraph (2) of this subsection (e) applied in conjunction with Section 172 of the Internal Revenue Code.

(2) Special rule. For purposes of paragraph (1) of this subsection, the taxable income properly reportable for federal income tax purposes shall mean:

(A) Certain life insurance companies. In the case of a life insurance company subject to the tax imposed by Section 801 of the Internal Revenue Code, life insurance company taxable income, plus the amount of distribution from pre-1984 policyholder surplus accounts as calculated under Section 815a of the Internal Revenue Code;

(B) Certain other insurance companies. In the case of mutual insurance companies subject to the tax imposed by Section 831 of the Internal Revenue Code, insurance company taxable income;

(C) Regulated investment companies. In the case of a regulated investment company subject to the tax imposed by Section 852 of the Internal Revenue Code, investment company taxable income;

(D) Real estate investment trusts. In the case of a real estate investment trust subject to the tax imposed by Section 857 of the Internal Revenue Code, real estate investment trust taxable income;

(E) Consolidated corporations. In the case of a corporation which is a member of an affiliated group of corporations filing a consolidated income tax return for the taxable year for federal income tax purposes, taxable income determined as if such corporation had filed a separate return for federal income tax purposes for the taxable year and each preceding taxable year for which it was a member of an affiliated group. For purposes of this subparagraph, the taxpayer's separate taxable income shall be determined as if the election provided by Section 243(b) (2) of the Internal Revenue Code had been in effect for all such years;

(F) Cooperatives. In the case of a cooperative corporation or association, the taxable income of such organization determined in accordance with the provisions of Section 1381 through 1388 of the Internal Revenue Code;

(G) Subchapter S corporations. In the case of: (i) a Subchapter S corporation for which there is in effect an election for the taxable year under Section 1362 of the Internal Revenue Code, the taxable income of such corporation determined in accordance with Section 1363(b) of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 1363(b)(1) of the Internal Revenue Code to be separately stated; and (ii) a Subchapter S corporation for which there is in effect a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982, the taxable income of such corporation determined in accordance with the federal Subchapter S rules as in effect on July 1, 1982; and

(H) Partnerships. In the case of a partnership, taxable income determined in accordance with Section 703 of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 703(a)(1) to be separately stated but which would be taken into account by an individual in calculating his taxable income.

(3) Recapture of business expenses on disposition of asset or business. Notwithstanding any other law to the contrary, if in prior years income from an asset or business has been classified as business income and in a later year is demonstrated to be non-business income, then all expenses, without limitation, deducted in such later year and in the 2 immediately preceding taxable years related to that asset or business that generated the non-business income shall be added back and recaptured as business income in the year of the disposition of the asset or business. Such amount shall be apportioned to Illinois using the greater of the apportionment fraction computed for the business under Section 304 of this Act for the taxable year or the average of the apportionment fractions computed for the business under Section 304 of this Act for the taxable year and for the 2 immediately preceding taxable years.

(f) Valuation limitation amount.

(1) In general. The valuation limitation amount referred to in subsections (a) (2)

(G), (c) (2) (I) and (d)(2) (E) is an amount equal to:

(A) The sum of the pre-August 1, 1969 appreciation amounts (to the extent

consisting of gain reportable under the provisions of Section 1245 or 1250 of the Internal Revenue Code) for all property in respect of which such gain was reported for the taxable year; plus

(B) The lesser of (i) the sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of capital gain) for all property in respect of which such gain was reported for federal income tax purposes for the taxable year, or (ii) the net capital gain for the taxable year, reduced in either case by any amount of such gain included in the amount determined under subsection (a) (2) (F) or (c) (2) (H).

(2) Pre-August 1, 1969 appreciation amount.

(A) If the fair market value of property referred to in paragraph (1) was readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is the lesser of (i) the excess of such fair market value over the taxpayer's basis (for determining gain) for such property on that date (determined under the Internal Revenue Code as in effect on that date), or (ii) the total gain realized and reportable for federal income tax purposes in respect of the sale, exchange or other disposition of such property.

(B) If the fair market value of property referred to in paragraph (1) was not readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is that amount which bears the same ratio to the total gain reported in respect of the property for federal income tax purposes for the taxable year, as the number of full calendar months in that part of the taxpayer's holding period for the property ending July 31, 1969 bears to the number of full calendar months in the taxpayer's entire holding period for the property.

(C) The Department shall prescribe such regulations as may be necessary to carry out the purposes of this paragraph.

(g) Double deductions. Unless specifically provided otherwise, nothing in this Section shall permit the same item to be deducted more than once.

(h) Legislative intention. Except as expressly provided by this Section there shall be no modifications or limitations on the amounts of income, gain, loss or deduction taken into account in determining gross income, adjusted gross income or taxable income for federal income tax purposes for the taxable year, or in the amount of such items entering into the computation of base income and net income under this Act for such taxable year, whether in respect of property values as of August 1, 1969 or otherwise.

RESOLUTIONS

The following resolution was offered and placed in the Committee on Rules.

HOUSE RESOLUTION 686

Offered by Representative Feigenholtz:

WHEREAS, An estimated 35,000 Illinoisans are living with HIV/AIDS ; and

WHEREAS, The federal Ryan White Comprehensive AIDS Resources Emergency (CARE) Act is critical to meeting the healthcare and support service needs of Illinoisans living with HIV who are low-income and/or uninsured; and

WHEREAS, Illinois communities rely on more than \$60,000,000 in Ryan White CARE Act funding each year to provide an array of HIV-related healthcare, dental, mental health, substance abuse treatment, case management, medication reimbursement, legal assistance, housing, nutrition counseling, and other essential services; and

WHEREAS, The most recent CARE Act authorization law expired on September 30, 2005, and Congress will soon consider new legislation to shape the future direction of CARE Act programs; and

WHEREAS, The U.S. Department of Health and Human Services (HHS) released a reauthorization proposal in July of 2005, that, if enacted, would severely reduce CARE Act funding for Illinois; and

WHEREAS, One of the provisions in the proposal requires funding formulas beginning in FY 2007 to include the number of HIV cases, but the U.S. government has refused to accept data from Illinois because it has collected HIV case reports by code, an option given to states in 1999; and

WHEREAS, On January 1, 2006, Illinois will begin collecting and reporting cases of HIV by name, the preferred method for the federal government, but will need additional time for the reporting system to mature so that all cases of HIV reported in Illinois can be counted toward funding formula allocations; and

WHEREAS, Other provisions recommended by HHS would result in dramatic funding reductions for AIDS-related services to suburban, rural, and urban communities across Illinois, and reduce AIDS-related healthcare and essential services; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Congress of the United States to enact legislation retaining the current "hold-harmless" provisions of the 2000 Ryan White CARE Act reauthorization, which protects jurisdictions from large, destabilizing reductions in funding; and be it further

RESOLVED, That we urge Congress to explore the use of scientifically-derived estimates of the number of people living with HIV/AIDS in U.S. jurisdictions for funding distribution purposes until HIV surveillance systems are sufficiently accurate and complete across the nation to fairly base funding decisions; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the President Pro Tempore of the U.S. Senate, the Speaker of the U.S. House of Representatives, the Secretary of the U.S. Department of Health and Human Services, Governor Rod Blagojevich, and each member of the Illinois congressional delegation.

HOUSE RESOLUTION 688

Offered by Representative Froehlich:

WHEREAS, Heightened interest in television camera coverage of court proceedings has come to the attention of the members of the House of Representatives; and

WHEREAS, Many states have experimented with and subsequently found no harm in permitting television cameras in the courtroom; and

WHEREAS, The evidence gathered by these states has shown that television coverage does not disrupt the court proceedings or impair the administration of justice; and
